**March 11, 2005**  
**Al Peterson, Chairperson**

Revisions were made to the New Members Roundtable Policies Handbook. It will be reviewed at the next board meeting.

The New Members Roundtable is considering submitting two programs for the 2005 NDLA conference. I'm currently lining up participants.

The New Members Roundtable has been fairly active with discussions from various members.

I'm still looking for candidates for Chairperson and Secretary. I'm also trying to put a Grassroots Grant committee together.
