

SLAYS Committee Report
March 9, 2005

The procedures document for the SLAYS committee is under construction.

Two titles were selected for the One Nation, Many Voices website for ALA
Children's Book: If You're Not From the Prairie
Secondary/Adult Book: Peace Like a River

We have a nomination for the office of secretary, but have not yet received a nominee for chair

We are looking at a couple of possibilities for presenters at the conference in Grand Forks. I need to get more information on budgets, etc.

Respectfully submitted,
Debbie Job
