

NDLA Board Report  
MPLA Representative  
June 10, 2005

By Sally Dockter

I have mostly been encouraging applications for the MPLA Ghost Ranch Leadership Institute. Marlene Anderson and Karen Chabot are assisting me in reviewing the application and forwarding it to MPLA. We only had one application this year.

Plan to investigate the feasibility of hiring a charter bus to the MPLA Conference in Jackson Hole, WY. South Dakota is interested as well.

MPLA is looking for nominations for their awards. Please take a look at the awards page and nominate a well deserving individual that you know.
