

Professional Development Committee
Report to NDLA Executive Board
June 10, 2005

No grant applications have been received.

There has been one request for a Canoe Kudoes. Marilyn Johnson sponsored a Kudo for Deb Igoe, on the occasion of her graduation for her completion of her masters degree. Information was sent to The Good Stuff.

I have participated on the selection committee for the Ghost Ranch Leadership Institute. As the Jaugstetter Fund will not be used for the Leadership Institute, I have checked with the Finance Committee as to what funds will be available.
