

Public Library Section

During the past few months I have assisted the Nominations and Elections Committee in recruiting qualified candidates to run for section chair and section secretary. I would also like to report that the Emporia North Dakota cohort graduation ceremony was held on Saturday, May 21 at the Rose Creek Country Club. Sixteen new librarians have now joined the profession in the North Dakota/Minnesota region. Hopefully most of these individuals will be successful in finding professional employment within the region.

Beth Postema and I passed out literature about NDLA at the State Library spring workshops in Fargo. That's all I have to report for now.

Charles Pace
Section Chair
