

NDLA Archivist/Historian Report  
September 21, 2005

My activities have been limited to delivering NDLA materials to the ND Historical Society for inclusion in our NDLA archives and researching association history for the 2006 conference and other projects.

I have submitted my resignation as your NDLA Archivist/Historian to Jeanne Narum. I've enjoyed my tenure and wish that I could continue in the position.

Respectfully submitted,

Kathy Groendal
