

Annual Report
2004-2005
Academic and Special Libraries Section

There has been no new activity in the ASL Section since early spring.

Three members, Virginia Bjorness, Kathy Thomas and Mary Hegle Drewes will be presenting a session on “Digital Libraries” at the 2005 NDLA Conference in September.

Recently elected officers for the Section are Donna James, Chair-elect and Irene Askelson, Secretary. Celeste Ertelt as Chair of ASLS, Donna James as Chair-Elect and Irene Askelson as Secretary will begin their terms of office at the end of the 2005 NDLA conference this September.

There was some discussion at last year’s NDLA meeting to communicate with ACRL, North Dakota/Manitoba Chapter to arrange an annual meeting on a date immediately preceding or following the state/province annual conference. No official discussions took place between the two organizations.

Phyllis Braaton’s announcement and call for volunteers to participate in a quilt-making project to celebrate the NDLA Centennial is well on its way as we head toward 2007.

Respectfully submitted,

Mary Hegle Drewes, Chair
