

Professional Development Committee
Annual Report
September 12, 2005

This year's committee members consisted of Eileen Chamberlain, Bonnie MacIver, and Suzanne Morrison. There has been very little work for the committee to do as few applications for grant and development funds were received.

Applications were updated with the name and address of the new chairman and submitted to The Good Stuff for inclusion in each issue. No applications were received for the NDLA Professional Development Grant, the Ron Rudser Memorial Continuing Education Grant, or the M. Vivian Hubbard Memorial Grant.

One application was received for the Mike Jaugstetter Leadership Grant from Beth Postema to attend the 2005 Ghost Ranch Leadership Institute. The application was approved. Reports were received from Erin Smith and Rachel White for attending the 2004 Ghost Ranch Leadership Institute.

One request and payment for a Canoe Kudo was received from Marilyn Johnson on behalf of Deb Igoe. There is no deadline for requesting a Kudo, which can be given at any time.

Respectfully submitted,

Karen Chobot
Chair
