

Constitution, Bylaws and Policies Committee – 15
NDLA December Board Meeting 2005

At the June Executive Board meeting the Constitution, Bylaws & Policies Committee was asked to construct a phrase that would discourage the use of NDLA funds for retirement gifts. The CB&P Committee decided on the phrase, “Funds from the general operating budget may only be used for NDLA business purposes.” This phrase, if approved by the Executive Board, will be added to the Finance Committee policy handbook.

The CB&P Committee is currently reviewing the policy handbook for the School Library and Youth Services Section.
