

Legislative Committee Report-18
December 2, 2005

As directed by the Executive Board I contacted our lobbyist Ilene Larson regarding her availability for 2006. Ilene agreed to serve as our lobbyist for this “off year” under the same contract terms that she had in 2005. I feel confident that she will do a fine job for us in 2006 and will be well worth whatever funds are expended.

I have requested funds in 2006 NDLA budget to be used to purchase the “I Love Libraries and I Vote” stickers”, we may also want to consider purchasing some advertising time on local radio stations to get out the good word about libraries as the election season approaches. Wearing the stickers to political evens and rallies can serve as a powerful testament to the importance we place on libraries and helps serve to remind the politicians that we too are their constituents.
