

New Members Roundtable – 11
Beverly Clouse, Chair
December 1, 2005

A change was made concerning the maintenance of the New Members Roundtable the listserv. It will now be maintained by Kathy Thomas. Thanks, Kathy!

A motion to change the New Members Roundtable bylaws was voiced at the September meeting at NDLA. The motion was to not have an elected secretary, but appoint a secretary as needed. Al Peterson and I will be working together to make the change. I will then call for a vote via the listserv.

A request for a budget of \$200 was submitted November 9, 2005.

There is nothing further to report.
