

TO: NDLA Executive Board
FROM: Marlene Anderson, Past President
SUBJECT: Past President Report
DATE: November 30, 2005

As Past President, my primary responsibilities for the year will be to coordinate the conference exhibits for 2006 and to chair the committees for the Librarian of the Year and Major Benefactor of the Year awards.

Pamela Drayson, previous Past President, forwarded her files to me and I have been reviewing them, planning how I will fulfill my responsibilities, and compiling a list of potential exhibitors for our conference.
