

NDLA Archivist/Historian Report (#24)

June 9, 2006

Fargo, ND

I submitted an article to *Good Stuff* re: NDLA Centennial Conference Photo Collage. It was published in the June 2006 issue. The article explains the photo collage project and requests that association members submit library related photos for inclusion in the collage to me by August 15, 2006. This project is very open-ended with a lot of possibilities. I'd like to find out if board members have any input, ideas, comments, etc. Before I can proceed with anything I need to know what my budget for this project is and what guidelines, if any, there are. This information will be a deciding factor in which route I take.

Respectfully Submitted,

Christine Kujawa
NDLA Historian/Archivist
