

Academic & Special Libraries Section-8

A message was sent out on the Academic & Special Libraries Section asking for volunteers to run for office. The positions were Chair-elect and secretary. Mary Drewes provided some ideas. Victor Lieberman will run for chair-elect and Phyllis Bratton will run for secretary. Message were also forwarded on to Donna James, Academic & Special Libraries Section Chair-Elect

I have also contacted Victor Lieberman to give a presentation for the fall NDLA conference on the History of UND Libraries. I spoke to Beth Postema about an extension in time. I have forwarded that on to V. Lieberman.

Some people contacted me about not receiving ND-Man ACRL information. I forwarded that on to Phyllis Bratton. Tom Bremen did some checking on problems. Another message was sent out which hopefully everyone received.
