

NDLA Finance Committee Report to Executive Board  
June 9, 2006, Fargo, ND  
Bonnie Krenz, Finance Committee Chair  
#16  
Committee Activities February through May

I reviewed the quarterly treasurer's report as requested by Michael Safratowich.

Through email the committee addressed the following question.

A question arose from the HSIS section that holds a spring sectional meeting as to what the requested budget money could be used for. The Finance committee would like to recommend that the following be added to the section policy handbooks.

NDLA will budget money for sectional meeting outside of conference to be used for refreshments for breaks, facilities, photocopying, mailing costs, speaker expenses, honorariums and gifts if requested during the budgeting process
