

Government Documents Roundtable (#9)
Quarterly Report, June 6, 2006
Naomi Frantes, Chair

Marlene Anderson requested that a list be compiled of all North Dakota Notable State Documents so that it may be incorporated into the NDLA Centennial Cookbook. Naomi has begun work on the list and will submit to Marlene by June 15. The list of North Dakota ALA Notable Documents, which was included in the March 2006 GODORT report, will also be included in the cookbook.

Kathy Thomas contacted Jerry O'Donnell, Chief Public Information Officer, Denver Regional Office, Census Bureau, to present at the 2006 NDLA Conference. He has agreed to present and there will be no cost as the Census Bureau pays all his expenses.
