

NDLA Archivist/Historian Report (#24)
December 2006

NDLA Centennial Conference Posters

Two additional sets of NDLA Centennial Conference posters were printed and framed. The sets of posters were sent to the ND State Library and cataloged. One set has been archived. The other set is available for circulation for ND librarians.

NDLA Archives

While at the NDLA Centennial Conference I received many items to add to the NDLA archives. Items included email correspondence, minutes, reports, grant/scholarship information, files from Betty Gard and NDLA Centennial Conference things. These items have been delivered to the ND State Historical Society.

Respectfully Submitted,
Christine Kujawa
