Quarterly Report
December 7, 2006
Mark Holman**

I submitted a publication to *The Good Stuff* to advertise the various grants available through NDLA.

I asked Karen Chobot to continue serving as a member of the Committee for the upcoming year. I also asked Lori West of Fargo Public Library and Steve Axtman of the North Dakota State Library to serve as well. I plan to ask one additional person to serve on the committee.

I received reimbursement requests from Donna James and Celeste Ertelt and sent them on to Mike Safratowich for payment.

Respectfully submitted,
