

**North Dakota Library Association
Professional Development Grants Committee Chair
Quarterly Report
March 5, 2007
Mark Holman**

I submitted a publication to *The Good Stuff* to advertise the various grants available through NDLA.

I asked Mary Markland of the Harley French Library at UND to serve on the Grants Committee

I received reimbursement request from Laurie McHenry from the Ghost Ranch Institute and submitted receipts to Mike Safratowich for payment.

I received an inquiry about application requirements for the Vivian Hubbard grant. I am looking into the possibility of updating the application requirements for this grant.

Respectfully submitted,

**Mark Holman
Professional Development Grants Committee Chair**
