

Nominations and Elections Committee Report (#19)
June 2007

Kathy Thomas mailed me the membership labels. I created the ballots and had them printed. I sent the printing invoice to Mike Safratowich. The envelopes have been stuffed and are ready to be mailed. I'll mail them mid-August, with a return date of September 1. I emailed all the candidate information and photos to Marlene Anderson for inclusion in the August issue of *The Good Stuff*. My committee consists of Sarah Devereaux and Zach Packineau, both of Bismarck Public Library. They helped me stuff envelopes and will assist in counting ballots after September 1.

The final slate of candidates for this year's election was voted on and approved by the board via email.
