

Past President's Report
July 2007

Registration is progressing well. I have 12 registrations as of today. I have forwarded the checks on to Mike for deposit in the NDLA account. I have written letters and sent contracts to approximately 30 vendors for their consideration. I have compiled the registrations and receipt of their payment for booths. I am anticipating approximately 25 vendor registrations. The rental cost of booths range from \$350-\$450.

We have received one nomination/application for Librarian of the Year award.

I have been in email contact with the local arrangements committee in Jamestown regarding the set up for the vendor booths.

Respectfully submitted,

Jeanne Narum
