

NDLA PUBLIC LIBRARY SECTION ANNUAL REPORT #12
SEPTEMBER 15, 2008
BONNIE MACIVER, CHAIR

The legislative session will be an issue that the Public Library section will be interested in this year, especially the State Aid to public libraries as well as the State Library's budget.

There have been no challenges of material or problems in Public Libraries of ND reported to me during this last year.

The summer reading programs "Catch the Reading Bug" and "Metamorphosis @ your library" were sponsored through the state PL's.

As of the present, I have not had any reports on the Public Library manual update. This is something that will have to be stressed during the next year.

We are saddened that the PL section has lost two of its directors through death: Roberta Steckler; McLean-Mercer Regional Library and Dennis Page, Grand Forks Public Library.

Incoming 2008 Officers
Chair: Bonnie Krenz, Griggs County Public Library
Secretary: Zach Packineau,

Respectfully submitted
Bonnie MacIver, Chair
