

NDLA New Members Roundtable – 11
Annual Report, September, 2007
Eric Stroshane, Chair

- Received the giant box of old NMRT materials from outgoing chair, Beverly Clouse at the centennial conference.
- I received a very kindly prepared elegant preliminary plan for the welcome reception of our next conference from Phyllis Bratton. We discussed this further after the ODIN OPAC workgroup meeting on March 16th.
- Reviewed the NMRT bylaws.
- Contacted Travis Schulz from the MedCenter One library and got him to agree to be a candidate for the New Members Roundtable Chair. I informed Christine Kujawa, the Nominations/Elections Chair, of this fact.
- Convinced Stephanie Baltzer Kom of the North Dakota State Library to be a candidate for the New Members Roundtable Secretary, and informed Nominations/Elections Chair, Christine Kujawa, of this.
- Supplied Kathy Thomas with maps from the convention site to the National Buffalo Museum for inclusion in the conference materials.
- Solicited volunteers for the Friendly Booth Award selection committee on the NMRT listserv.

Respectfully submitted,

Eric Stroshane
New Members Roundtable Chair
