

**North Dakota Library Association
Health Science Information Section (HSIS)
Quarterly Report #10
December 7, 2007
Eileen Chamberlain, Chair**

I received 2 boxes of materials from outgoing chair, Joan Bares, at the fall conference in Jamestown.

In October, I appointed Barb Knight, UND Harley French Library of the Health Sciences, our Midwest Chapter/MLA State Liaison for the next two years.

HSIS budget for 2008 was submitted to Finance Committee chair in October.

I submitted the changes to the HSIS Policies Handbook to the Constitutions Bylaws & Policies Committee Chair in October. This committee approved it. It was then presented to the NDLA Executive Board via email and approved. The HSIS Policies Handbook was updated on the NDLA web site in November.

Eileen Chamberlain submitted her report on the Midwest Chapter/Medical Library Association Conference held in Omaha in October to the Chair and section members. This is a requirement of recipients of the HSIS Professional Development Grant.

Respectfully submitted,

Eileen Chamberlain
Health Science Information Section Chair
