I've made arrangements to attend the Joint ULA/MPLA in Salt Lake City, April 28th - May 2nd. The theme for this year's conference is "Where Paths Meet: Connecting Libraries and Our Communities." Information about the conference is on the MPLA website.

I forwarded an e-mail about the 2008 MPLA Leadership Institute at Ghost Ranch, NM. Due to a lack of corporate funding, the 2008 MPLA Leadership Institute will not be offered. Hopefully, MPLA will find a corporate sponsor for this institute.

I've submitted an article to the MPLA newsletter. Basically, I've been picking articles out of our newspaper clippings about happenings in North Dakota Libraries. If you have any suggestions for stories or topics, the next MPLA newsletter deadline is May 1st.

MPLA is in the process of replacing the booth materials. By the next NDLA conference, I should be displaying a brand new booth!
