

NDLA PUBLIC LIBRARY SECTION
#12
REPORT TO EXECUTIVE COMMITTEE
MARCH, 14, 2008

February

I sent an email to the Public Library section to ask for suggestions of what they thought the budget for State Aid should be for the next biennial. As of today, 2/28, I have received only 5 responses.

Bonnie Krenz-President Elect and I are working on a program for 2008 NDLA . We have come up with E-books and audio books downloads for dummies. We need to find someone who can present this program for us.

No further report.
