

Technical Services Roundtable (#14)  
Quarterly Report, March 12, 2008  
Naomi Frantes, Chair

Shelby Harken was contacted regarding programming for 2008 Conference. Shelby will do programs on RDA and Aleph v. 18 with Authority Control. The program ideas were submitted to Phyllis Bratton. I also informed Phyllis that MINITEX usually has a program or two at NDLA Conference that is related to Technical Services.

Candidates for Chair-elect and Secretary will be recruited soon.

Respectfully submitted,  
Naomi Frantes
