

9. Government Documents Roundtable May 28, 2008

Two North Dakota documents from those that were submitted to ALA were selected for the 2007 Notable Documents list published in the May 15, 2008 issue of *Library Journal*:

- *Dinosaurs, Sharks, and Woolly Mammoths: Glimpses of Life in North Dakota's Prehistoric Past* by John W. Hoganson (State Historical Society of North Dakota & North Dakota Geological Survey, 2007), and
- *100 Years in Pictures: Fort Abraham Lincoln State Park* (North Dakota Parks & Recreation Dept., 2007).

Despite repeated requests to the group and to individuals, I was unable to locate a candidate for chair-elect.
