Thanks to Web Editor Theresa Norton and Treasurer Mike Safratowich, we now can accept personal membership dues online with PayPal. Several people have already taken advantage of this option.

PayPal doesn't allow entering a variable amount necessary for institutional dues as we currently figure them ("calculate using formula: \$35.00 for the first \$5000 of operating budget or portion thereof, PLUS \$1 per \$1000 of budget thereafter, to a maximum of \$200"). Continuing to use this formula would require setting up an additional 166 different dues choices. We'll need to change our institutional dues schedule in order to accept institutional dues online.
