Submitted by Donna James

Since the last report as Past President, I have:

- Secured 26 exhibitors for the 2009 NDLA Conference in Dickinson, September 23-26
- Formed a committee of three Past Presidents--Beth Postema, Marlene Anderson & Jeanne Narum—who reviewed electronic copies of the nominations and met electronically to determine the Librarian of the Year (Jan Wysocki of MSU-Bottineau) and the Major Benefactor of the Year (Mike and ?? Kelley of Dickinson) for 2009.
- Contacted the nominators of the award winners asking them to inform the person(s) they nominated that they had won the award and to attend the conference
- Contributed information about vendors and the awards mentioned above to Marlene Anderson and Cathy Langemo for publication in *The Good Stuff* and in the conference program & publications
- Corresponded with the President-Elect and the Local Committee representatives concerning booth and tabletop space at the 2009 Conference.
- Corresponded with the Treasurer and the membership Chair concerning vendor registration and payment
- Worked with the Web Editor and the Treasurer on facilitating the use of PayPal exhibitor registration
