

Health Sciences Information Section Report (#10)
December 2009 - March 2010

December 2009

- Attended NDLA Executive Board Meeting in Jamestown.
- Touched base with Theresa Norton regarding the submission of content to the proposed NDLA Disaster Planning Webpage.
- Contacted Max Anderson from the NN/LM Greater Midwest Region regarding funding for internet café internet access at the 2010 NDLA Conference. NN/LM Greater Midwest Region does provide funding for such activities. Travis will request further details on how to secure funding as the conference approaches.
- Travis will work with representatives from EbscoHost to determine feasibility of a sponsored social hour sometime during conference.

January 2010

- Posted message on HSIS Listserv requesting input and participation in the development of disaster planning webpage.
- Very limited response and participation.

February 2010

- Submitted resources to Theresa Norton for the disaster planning webpage. Once posted these resources will be reviewed by member of HSIS for appropriateness.
- Thank you to all that contributed.

Respectfully submitted,

Travis Schulz, Chair
Health Science Information Section
