

**#19 - Nominations and Elections Committee, North Dakota Library Association
Quarterly Report, March 2010
Sandi L. Bates, Chair**

- Continued working on an ad hoc committee to discuss voting procedures and protocols
- Began an e-mail and in-person campaign to fill an election slate of officers – working with Christine Kujawa and Carol Herberholz. So far we have at least one candidate for each position, President Elect, Secretary, Treasurer, and MPLA Representative.
- Our goal is to have at least two candidates for each position and ideally one candidate representing the three sectors of librarianship – academic, public and school.
- Upcoming duties: e-mails to sections/roundtables with a reminder that officer candidates must be submitted by May 1.
