

President-Elect – Report #2
Second Quarter : March 5, 2009

Conference planning is ongoing. Conference theme is Libraries: a Census. The logo has been created.

A visit to Grand Forks to meet with the local arrangements committee, planned for Feb. 9th, had to be canceled due to the weather. It has been rescheduled for March 8th. We have conducted some preliminary business via email. The local arrangements committee has some very exciting ideas.

I am working on finalizing arrangements with Joe Raiola, senior editor for Mad Magazine, to be our keynote speaker. I have also previewed the movie *The Hollywood Librarian* and am working with the Media Education Foundation for a possible screening at conference. I have exchanged many emails with other possible conference presenters.

The call for proposals for conference programs will go out after the planning committee meeting next week.

Respectfully submitted,

Rita Ennen
NDLA President-Elect
